

Quadrabase Application

QBApp_Dashboard

Ecran FC

My projects

The "My Projects" window is not justified here since there is a specific "My Projects" page in the proposed menu. It should therefore be deleted here.

JCI screen

Prerequisites

The user must have registered in advance to access this page. He must have informed in particular: his status (Prescriber or Manufacturer), his identifier (email), his password and mandatory information (Establishment, address, etc.). Access to this page will be via the Connect button from the QBSofit site or via the addresses: <https://www.quadrabase.fr> ou <https://www.quadrabase.com>

Menu

- Rename "Home" to "Dashboard"

Subscription

The table should contain the following information:

- . Type (of subscriber): Info that is included in the registration operation. The registering user must choose what type of user he is (Prescriber or Manufacturer)
- . Designation: Takes the name of the selected subscription
- . Start date: Date of activation of the subscription by the Administrator
- . End date: Activation date + 1 year
- . Status: Authorized/Not authorized (represented by icons for example)

"Buy a subscription" button: Returns to the Purchase window (Prescriber or Manufacturer)

Projects

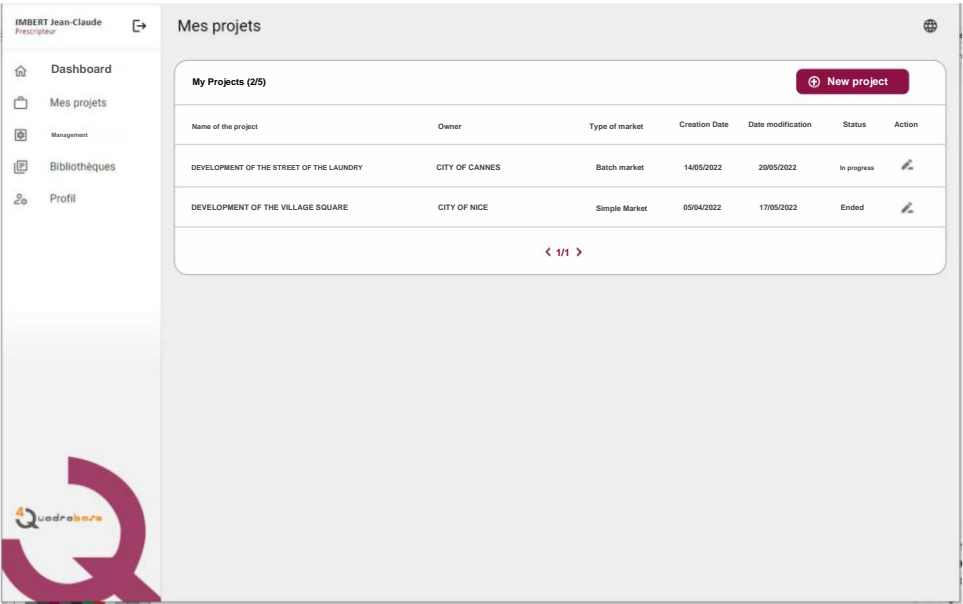

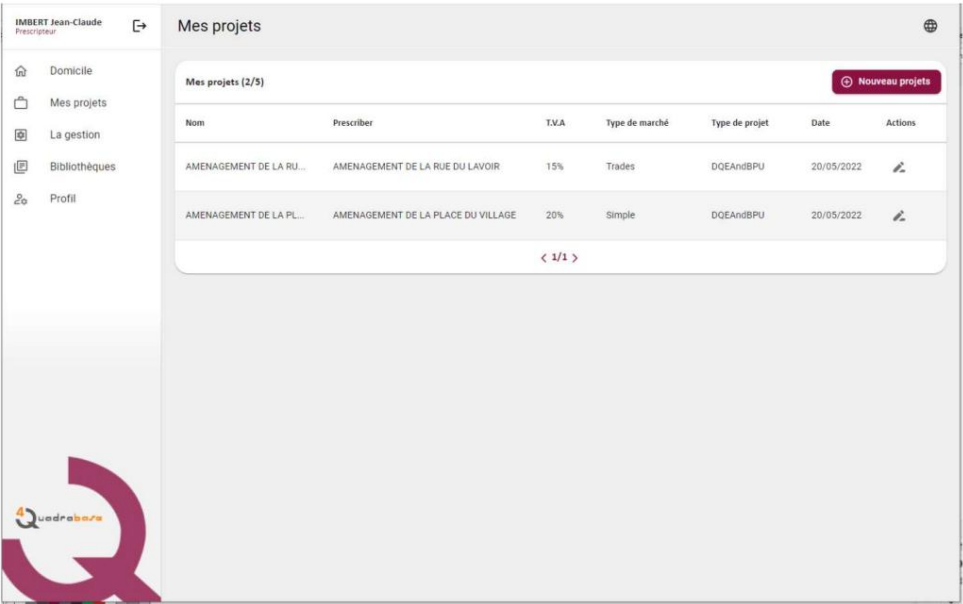

The table should contain the following information:

- . Number of Projects: Cumulative number of purchased projects
- . Projects in progress: Number of projects used (in progress or completed)
- . Projects remaining: Number of projects remaining to be used (Difference between the 2 previous ones)

"Buy a Projects pack" button: Returns to the Purchase window (Specifier or Manufacturer)

QBAApp_My Projects

Ecran FC

JCI screen

My projects
The table should contain the following information:

- . Name of the project
- . Owner
- . Type of market
- . Creation date
- . Date of last modification
- . Status: Ongoing; Ended ;
- . Action (Opens the project in modification)

The projects are added at the top of the list and sorted by default by date from the most recent to the oldest. They can be reclassified according to the choice in the column.

“New Project” button: Opens the “New Project” window (Remove the “s” from “project”)

QBApp_Profil

The screenshot shows the 'Mon profil' (My profile) page for a user named IMBERT Jean-Claude. The page has a sidebar with navigation links: Domicile, Mes projets, La gestion, Bibliothèques, and Profil. The main content area displays the user's name, a placeholder for a profile picture, and the text 'IMBERT Jean-Claude'. Below this, it says 'Membre depuis: March 10th 2022'. The profile form includes fields for: Prénom (First name), Nom de famille (Last name), Email, Ancien mot de passe (Old password), Nouveau mot de passe (New password), Établissement (Establishment), and Service (Service). A 'Mettre à jour' (Update) button is at the bottom right.
